FILE# IAS-2015-0032

Ma'am,

On April 14, 2015, both Detective Shannon LEWANDOWSKI and Detective JUANITA CARR were interviewed pursuant to issued PI-21's. Both Detective LEWANDOWSKI and Detective CARR were represented by Police Liaison Officer Shawn LAUDA of the Milwaukee Police Association (MPA). MPA representative LAUDA expressed to me, Police Sergeant Adam ZIEGER, a concern whether Detective LEWANDOWSKI and Detective CARR would be able to participate in the interview do to their injuries sustained from the accident. The concern was stated while the interview was not in progress, and therefore specifically not recorded. Both Detective LEWANDOWSKI and Detective CARR participated and completed the interviews.

Respectfully Submitted,
